WeRateDogs Insights for Dog Lovers!

WeRateDogs is a Twitter account that rates people's dogs with a humorous comment about the dog. These ratings almost always have a denominator of 10. The numerators, though? Almost always greater than 10. 11/10, 12/10, 13/10, etc. Why? Because "they're good dogs Brent." WeRateDogs has over 4 million followers and has received international media coverage.

During this report I'll present to you some insights that were conducted based on data extracted from WeRateDogs

1. What are the top 10 breeds present in WeRateDogs tweets?

If you're a dog owner or about to be one (just like me) you definitely would be interested in this. Here we show the top 10 breeds that get tweeted about on WeRateDogs.

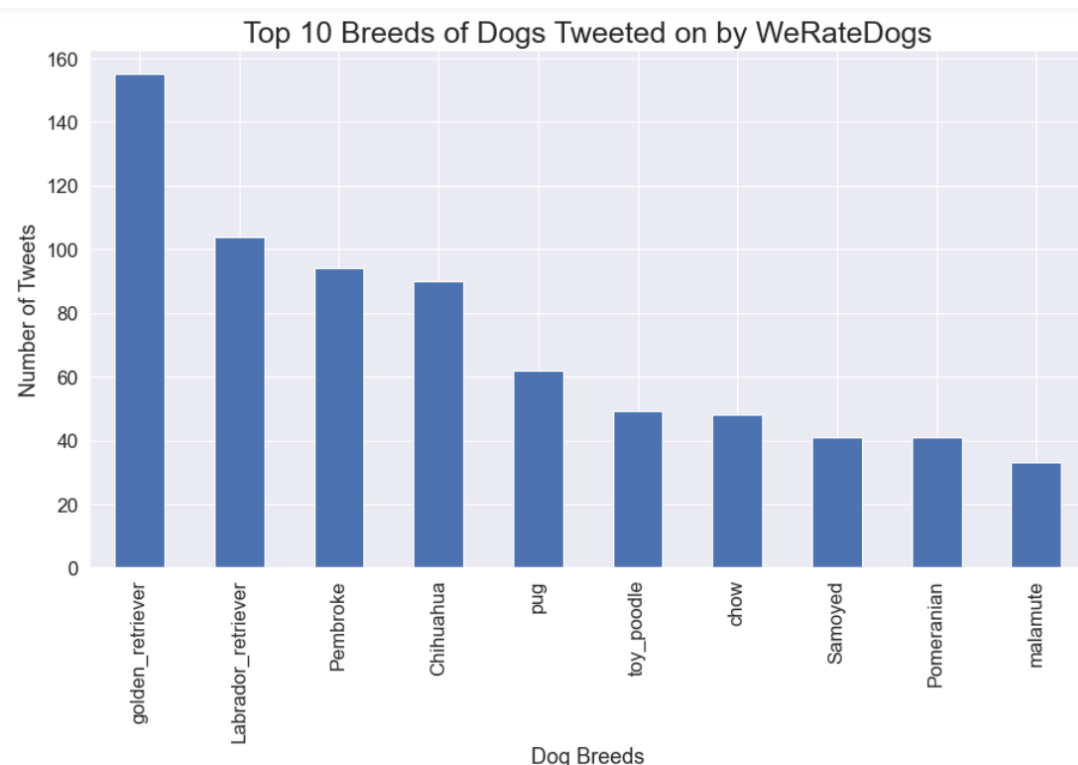

Figure 1

Based on this graph we can clearly see that the Golden Retriever is leading the breeds tweeted by WeRateDogs while Malamute is at the very bottom of the Top 10.

2. What are the top 15 rated breeds on WeRateDogs on average?

As mentioned before WeRateDogs is mainly about rating dogs and not just rating them normally they rate them in a very special way (denominator greater than numerator). For that checking the dog breeds that received the highest rates could be interesting to you!

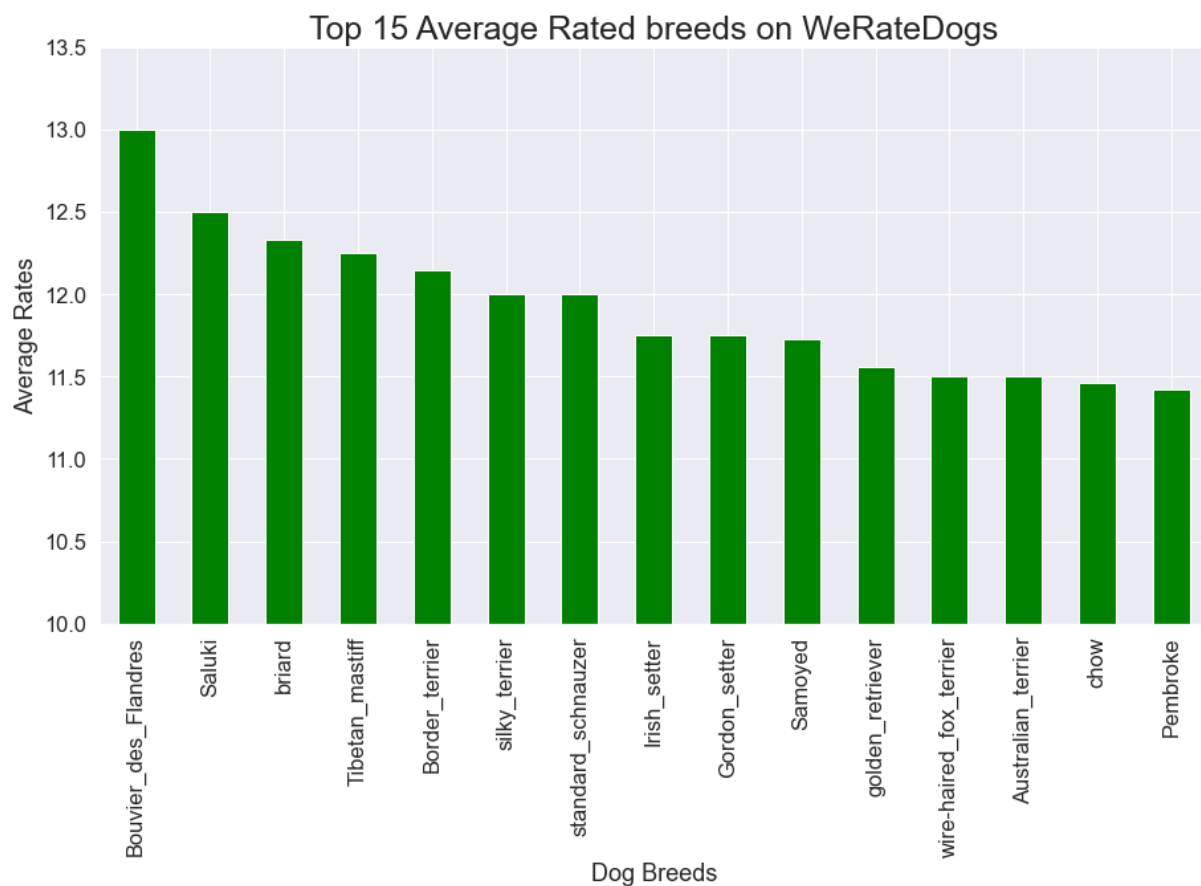

Figure 2

Looking at the figure above we can tell that Bouvier des Flandres is the breed with the highest average rating on WeRateDog account while Pembroke sets down at the bottom of the top 15 average rated breeds.

3. What are the top 15 retweeted and favoured breeds in WeRateDogs?

We thought you'd be interested in knowing which dog breed is most liked by dog lovers? and Which dog breed interests them so much that it takes them to retweet it to share it with their followers.

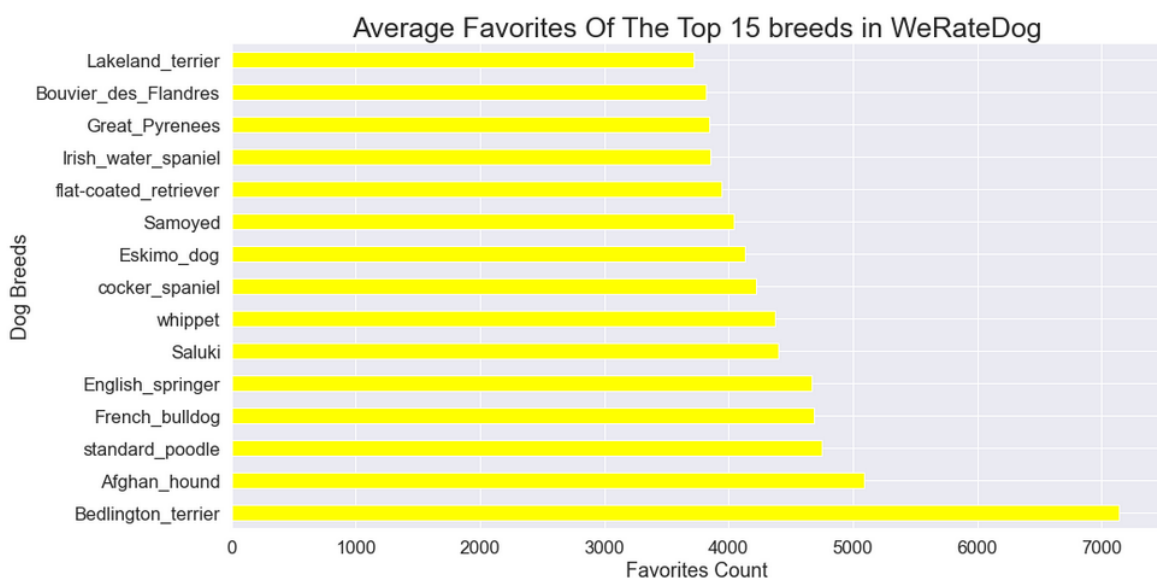

Figure 4

From figure 3 and figure 4 it's clearly obvious that on average the Bedlington Terrier was loved the most by people that they just not favoured but also chose to share it with their followers. On the other side the Lakeland Terrier is the least loved breed of the top 15
